SHORT STORIES OF THE CITY

To Develop Claims.—Charles Palmer and wife of East Mesquite street will leave in a few days to locate at Rye, Ariz., in the northern part of this county. Mr. Palmer will develop his mineral claims there.

Mrs. McNeish Transferred.—Mrs. Alice McNeish, who has been in the employ of the local store of the Douglas Drug company for the past eight months, will not return to Globe after her visit to the territorial fair. She has been transferred to the Douglas store of the company.

Want Information.—Mrs. B. M. Fetter of San Francisco is very anxious to secure affidavits that will establish the death of her husband, who died of sunstroke at the Emeline mine, six miles from Globe, on August 22, 1878. He was buried by Captain Soulay and Mr. Crane of Santa Rosa. Any person possessing the desired information will confer a favor by seeing Eugene Middleton of Globe, or by addressing Mrs. B. M. Fetter, 452 Haight street, San Francisco, Cal.

Preliminary Hearing.—Henry Buckner, charged with making an assault with a deadly weapon with intent to murder, will be given a hearing in Justice Thomas' court this afternoon at 2 o'clock. Buckner is specifically charged with shooting David James.

Masque Party.—The masquerade ball to be given by the city band at Dreamland tonight promises to be the big social event of the season. The advance sale of tickets has been large and the costumes have been busy for the past week supplying disguises. The band will plan an entirely new program of ball room music, and promises a rich treat in this line. You will regret it if you miss this ball.

Restaurant Closed.—"Dad's Restaurant," for a number of years operated in the block directly opposite the post-office, has been closed. The rooms are being fitted up for other purposes.

Dislocated Shoulder.—While working in front of the city marshal's office yesterday, W. S. Persey fell from an improvised pedestal and badly dislocated his left shoulder. Persey is able to be about, but will be out of commission for a number of weeks.

By Special Train.—While in Tucson this week Manager Alexander of Dreamland made arrangements for a special train for "The Mayor of Tokio" company, which will visit this city on Thanksgiving night. The special will reach Globe at 4 o'clock in the afternoon and will bring in people from the

Valley trains who are to be given a special rate. The show company is made up of sixty members.

Created Disturbance.—Anciola Lapaz and another Mexican named Marguna, arrested yesterday morning on a disturbance charge, pleaded guilty in Justice Thomas' court last evening and were fined \$8. They paid the assessment and were discharged.

Cheerfully Paid Fine.—A. L. Walker, found sleeping in the rear of a saloon in the red light district with \$600 in gold certificates in his pockets, and taken to the city jail on a drunk charge, pleaded guilty yesterday afternoon and cheerfully paid the usual fine imposed by Judge Thomas. Walker was helplessly drunk when awakened and it was found necessary to take him to the station in a cab. He also insisted on paying this bill. In turning over his effects yesterday the officers discovered that Walker had nearly \$900 in cash and negotiable paper.

CELESTINO PAREDES IS SUMMONED

Death Claims a Pioneer of
Globe and a Highly Respected Citizen

Celestino Paredes, a pioneer Mexican citizen of the Gila valley, died suddenly at his home on Euclid avenue at 4:30 o'clock yesterday morning in the 67th year of his age. The funeral services will be from the Catholic church tomorrow morning at 10 o'clock.

Deceased was one of the most prominent Mexicans of the southwest and a leader among the local Spanish-speaking people. He not only enjoyed the full confidence, respect and esteem of the people of his own race, but was known as a man of unusual integrity and honest purpose by the entire community, and his passing will take from the county a valued, worthy and respected citizen.

Celestino, a name that is familiar to almost any child in the city, came to this section of Arizona thirty-three years ago, when there was no such town as Globe and when a few straggling shacks in the valley of the Pinto marked the present site of the city. As a young man he engaged in the teaming business with his father, and has followed that line since. During the past year he has confined his work chiefly to freighting wood, and his team of six was a familiar sight on the streets of Globe. About a year ago Celestino buried his wife, and is survived by one daughter, with whom he was residing when the end came.

Yesterday morning about 4 o'clock Paredes was awakened by a sharp pain in his left breast and side. He called his daughter and, believing that it was in the nature of a pleurisy pain, he asked that a hot flannel be spread over his breast. The daughter kindled a fire, heated a flannel, but when she returned to the bedside all was still—life was extinct. A doctor was summoned and decided that death had resulted from heart failure.

Celestino engaged in his work as usual on Wednesday and prior to retiring had made no complaint. By thrift and industry he had accumulated quite a little estate in the shape of property in North Globe. He was a member of the local Mexican beneficiary society and also of the Roman Catholic church.

age there. His mother, who has been visiting here, accompanied him. Mrs. G. S. Van Wageningen and daughter Dorothy are home after a six weeks' visit with friends on the coast.

County Recorder Ed T. Stewart has returned from a visit on business in Cochise county.

Mr. and Mrs. L. M. Greenwood have returned from their bridal tour. They visited relatives at San Antonio and Alpine, Texas. Mr. Greenwood states that at the latter place snow was falling when they left and the weather was unusually cold for this time of year. He has resumed his duties as dispatcher for the Gila Valley road.

Charles Henry is able to be out after being confined to his home for a week with rheumatism.

FATHER SEEKS SON TO PRESENT HIM WITH FINE FARM

A half interest in one of the finest farms in Idaho awaits Thomas J. Rankin, a wanderer on the face of the earth and prior to January last employed in the mines of Globe for some time.

The sheriff's department yesterday received a letter from S. L. Hodgkin, sheriff of Ada county, Idaho, requesting that local officers make an effort to locate Rankin. The missive states that the father of the missing boy is 72 years old, and owning a big farm, is anxious to divide it up between his two sons. The missing man is described as about 35 years of age, sandy hair, gray eyes, light complexion, 5 feet 7 inches tall and is marked by smallpox. Any information regarding the whereabouts of the young man should be sent to S. L. Hodgkin, Boise, Idaho.

CONDUCTOR MALLOY SERIOUSLY INJURED IN RAILWAY WRECK

In a railroad accident which occurred at Bowie about noon yesterday, Conductor D. L. Malloy of the Valley local was seriously injured. He was brought to the city on No. 9 last night and is now receiving treatment at the railroad hospital.

While running down a grade the train broke in two. Malloy occupied a seat in the cupola of the caboose and as the two sections crashed together he was violently thrown to the floor, receiving an injury to the left leg, which has partially paralyzed that member. He was also severely bruised about the body. He was scarcely able to move and was taken from the train to the hospital on a stretcher.

MAY INVESTIGATE THE MITCHELL MINING CO.

The Washington stockholders of the Mitchell Mining company have refused to pay the suggested 20 cents per share loan to the company, and are advocating the appointment of a receiver for the property. The New York stockholders are also against the 20-cent proposition, and they also believe that the affairs of the company call for a rigid investigation and the appointment of a receiver.
